AFFIDAVIT OF PROBABLE CAUSE FOR ARREST WARRANT

I, Investigator Niki Bales, of lawful age and being first sworn upon oath, state that I have probable cause for believing that:

Gallegos, Kenneth Alfonso
DOB: 12/17/01

did commit the crime(s) of:

Murder in the First Degree	18-3-102 (1) (b) F1
Aggravated Robbery	18-4-302 F3
Conspiracy 18-2-201 to Commit Aggravated Robbery	18-4-302 F4

on/or between 5/8/19 at approximately 2125 hours, within Arapahoe County, Colorado, and as grounds therefore state as follows:

That this Affiant is an Investigator with the Arapahoe County Sheriff's Office, and that the following information was obtained by me personally and from the official records of the aforementioned office.

This Affiant is aware of the following information as it is contained in Arapahoe County Sheriff's Office Offense Report #AC19-7825, which was written by Arapahoe County Sheriff's Deputy Andrew DeVries, and was subsequently read by this Affiant. Information taken from this report has been paraphrased by this Affiant.

On 5/8/19 at approximately 2128 hours, Deputy DeVries was dispatched to a shots fired call at:

21537 East Powers Lane
City of Centennial, County of Arapahoe, State of Colorado

Dispatch advised:

Someone got shot.

Someone pulled up in a car.

The car was a 4-door sedan and possibly silver.

The car left the cul-de-sac.

Two shots were heard and it was not know who was hit.

AFFIDAVIT OF PROBABLE CAUSE FOR ARREST WARRANT
CR #AC19-7825

The reporting party (RP) is a neighbor and said the suspect is not on scene.

Upon arrival, Deputy DeVries was flagged down by a female in a silver vehicle. She stated that there was a silver vehicle that just left the cul-de-sac at a high rate of speed. She was identified as:

Blosser, Shandra
DOB: 9/25/76

This Affiant notes that in her written statement she wrote:

"I was sitting in my car filing a report with Arapahoe CPS. As I was sitting there I witnessed a silver SUV come speeding out of the cul-de-sac and turn south bound (left). It seemed to be erratic and going very fast."

Deputy DeVries responded to the address and observed several people in the doorway of the residence screaming. Deputy DeVries went inside the home and observed a male lying just inside the front door on his back. He was later fully identified as:

Chavez, Lloyd
12/15/00

Lloyd was not wearing a shirt and Deputy DeVries observed blood on Lloyd as well as on the carpet around him. Deputy DeVries saw a small entrance wound to Lloyd's right chest just to the right of his nipple and it was barely bleeding. He applied pressure to his wound and did not observe any other bullet hole or an exit wound. Lloyd was not conscious but was breathing. Once a chest seal was applied to the wound, Lloyd began to open his eyes a little and move around but was still just moaning and not able to speak.

Lloyd's grandmother and sister were both on scene. They were identified as:

Chavez, Patricia
DOB: 3/17/61
&
Chavez, Frankie
DOB: 6/17/03

Patricia advised she was sleeping when everything happened and didn't see anything. Frankie was hysterical and Deputy DeVries did not speak with her.

Deputy DeVries rode in the ambulance with Lloyd. Lloyd was in and out of consciousness but was not able to answer any questions. Upon arrival at the hospital, Deputy DeVries collected Lloyd's jeans which were cut. The jeans were wet and had blood on them. Lloyd's shoes were also collected and wet. In Lloyd's jean pocket was a wallet containing cash, a credit card, his driver's license and a student ID from Cherokee Trail High School.

While at the hospital, a nurse advised Deputy DeVries that Lloyd gave her some information and that he is talking on and off a little bit. Deputy DeVries was escorted into the emergency room with Lloyd. Lloyd was asked who shot him and he stated, "Kenny." Deputy DeVries asked Lloyd what school Kenny goes to and he said Cherokee Trail High School. Deputy DeVries asked if Kenny was a senior and Lloyd shook his head no and stated that he is a junior. Lloyd had to go to

AFFIDAVIT OF PROBABLE CAUSE FOR ARREST WARRANT
CR #AC19-7825

surgery and no further questions were asked. This Affiant confirmed this interaction that was captured on Deputy DeVries body worn camera. Deputy DeVries reported that the nurse initially told him that Lloyd told her that someone broke into his home and he was alone and that a classmate did this. None of this information is relayed when Deputy DeVries spoke with Lloyd.

Deputy DeVries returned to the scene and assisted in looking for shell casings. On scene was Arapahoe County Sheriff's Office Lt. Adam Burson, Lt. Steve Rolen, Lt. Matt Walker, Criminalist Cheyenne Stjernquest and this Affiant (this Affiant's involvement is outlined below).

While on scene, Deputy DeVries was notified that Lloyd had passed away during surgery. Cheyenne collected any evidence from the home and cleared the scene. Deputy DeVries remained at the home to control the crime scene. Lloyd's parents and step-father arrived to gather some items to stay at another family member's home.

As of this filing, Criminalist Stjernquest has not completed her report but this Affiant did speak with her. She advised that she collected two vape boxes that were found in the front yard of 21537 East Powers Lane. She also collected Lloyd's cell phone which was located on the table that is right inside the front door. In the living room she collected 4 flavored Juice Head Salts and 2 SMOK Nord kits used for vaping.

This Affiant reviewed a supplement written by Arapahoe County Sheriff's Office Michael Brophy. He was tasked with conducting a canvass. He reported the following regarding his canvass:

Deputy Brophy went to the address of 5757 South Odessa Street and spoke with:

Kaiser, Keith
DOB: 1/12/50

Keith stated that he was getting a drink of water at about 2130 hours and saw headlights leaving the area but did not know what kind of vehicle it was.

Deputy Brophy then went to the address of 5787 South Odessa Street and spoke with:

Bannan, Jason
DOB: 12/09/81

Jason stated that:

He arrived home at approximately 2130 hours, and heard some loud banging noises from the north, but was not sure what it was.

He then entered the house and heard a car speed by, but did not see the vehicle.

This Affiant reviewed a supplement report written by Arapahoe County Sheriff's Office Deputy Rich Bohm, who reported the following additional information:

Once on scene and Deputy Bohm briefly spoke with Frankie, and she told him the following, in essence:

She was in the living room of the home, watching television.

AFFIDAVIT OF PROBABLE CAUSE FOR ARREST WARRANT
CR #AC19-7825

Lloyd went outside to "sell something."

Lloyd was outside for maybe five to ten minutes, before she heard a loud "pop."

She heard Lloyd yell and he then came back inside and told her to call 911 because he had been shot.

She used Lloyd's phone to call 911.

One of the neighbors from next door was also in the home, and Deputy Bohm briefly spoke to her. She told him the following, in essence:

She heard two shots from outside of her home.

She went outside to see what was going on.

She saw what she believed to be two males, wearing dark clothing, run away from her neighbor's home.

The males ran towards a possibly silver sedan (similar to a Honda) which was in the roadway.

The males got into the vehicle, which then sped off.

She went to her neighbor's house and discovered that one of them had been shot.

This neighbor lives at 21517 E. Powers Lane (next door to victim's home) and is identified as:

Osweiler, Breanne
DOB: 1/12/85

This Affiant reviewed a supplement report written by Arapahoe County Sheriff's Office Deputy Greg Gordon. He provided the following additional information:

Upon his arrival, he learned that Deputies Bohm and DeVries were inside the house. While on scene, he was contacted by a male who lives in the neighborhood at 5747 S. Odessa St. He was identified as:

Thies, Dave
DOB: 09/03/66

He advised the following:

At about 2120 hours tonight, he was in his bedroom when he heard the sound of a gunshot.

He looked outside the front window and saw a silver Lexus (unknown plate) speeding away from Powers Lane onto southbound Odessa St.

He could not see the occupants.

AFFIDAVIT OF PROBABLE CAUSE FOR ARREST WARRANT
CR #AC19-7825

Deputy Gordon was contacted at 2335 hours by a resident at 5737 S. Odessa St. who was identified as:

Grafton, Erik
DOB: 3/6/91

He advised that he wasn't home at the time of the incident but that his Nest Security Camera captured a video of a car speeding away. Deputy Gordon looked at the recorded video and saw a vehicle pull onto Powers Ln at about 2118 hours. The vehicle was parked there for several minutes. At about 2126 hours, the sound of shots were heard and someone was yelling prior to the silver colored vehicle speeding off onto southbound Odessa St. Deputy Gordon could not determine the make of the vehicle. Deputy Gordon placed the video into our Digital Crime Scene.

This Affiant reviewed a supplement report written by Arapahoe County Sheriff's Office Deputy Scott Gricks. He reported the following additional information:

While on scene, deputies were advised by dispatch that a male was calling about Lloyd and was at Parker Adventist Hospital. The male was identified as:

Leu-Pierre, Darrian Thomas
DOB: 03/22/2001

Deputy Gricks responded to Parker Adventist Hospital and spoke with Darrian and his mom identified as:

Leu-Pierre, Sonya Raen
DOB: 02/14/72

Sonya told him the following, in essence:

That her son Darrian had been at volleyball practice with his friend Lloyd Chavez.

Darrian dropped Lloyd off at his home at approximately 2108 hours.

Darrian returned home at approximately 2118 hours and started studying for a final exam tomorrow.

She observed Darrian walk into their house.

She then went to bed to watch TV.

She realized that she had missed five phone calls from Lloyd's father.

Sonya returned his call and was informed that Lloyd had been shot by someone.

Sonya went downstairs to tell Darrian of the incident.

She and Darrian went to Parker Adventist Hospital to check on Lloyd's status.

AFFIDAVIT OF PROBABLE CAUSE FOR ARREST WARRANT
CR #AC19-7825

She feels like this had something to do with Lloyd selling vape juice to kids within his school.

She advised that Darrian was scared to go home.

This Affiant reviewed a supplement report made by Arapahoe County Sheriff's Office Deputy Ben Bussard. He transported Darrian to Arapahoe County Sheriff's Office to be interviewed by this Affiant (details are outlined below).

Sonya and Darrian were associated with a silver Lexus (Arapahoe County Sheriff's Office Deputy Takara Halliburton was given consent to search it). Deputy Bussard stood by while the interview was conducted and then gave Darrian a ride back to Parker Adventist Hospital at the conclusion of the interview.

This Affiant reviewed a supplement report written by Arapahoe County Sheriff's Office Sgt. Adam Workman. He reported the following additional information:

He spoke to a witness who lives at 21518 E. Powers Lane identified as:

Cobb, Janice
DOB: 8/21/58

Janice advised she was reading in her living room and at about 2130 hours she heard a loud sound and voices in the cul-de-sac. She thought it sounded like a firework. She did not look until she saw flashing lights. She saw Frankie crying on the front porch of her residence. She only heard one shot and did not see any vehicles.

Sgt. Workman was advised by Deputy DeVries about Lloyd saying "Kenny" from Cherokee Trail high School who is a junior is the one that shot him. Sgt. Workman spoke to Dan Vilkofsky with Cherry Creek Schools Security who advised that they have three students named Kenneth and they are identified as follows:

Greene II, Kenneth Gregory
DOB: 2/11/02
&
Sharp, Kenneth David
DOB: 3/21/02
&
Thomas, Kenneth Michael
DOB: 9/26/02

Sgt. Workman had Deputies Halliburton, Gordon and Brophy go by their address to look for a matching suspect vehicle and it was not located at any of their addresses.

This Affiant had been advised of this shooting at about 2215 hours on 5/8/19. This Affiant arrived on scene at about 2250 hours. This Affiant observed the scene and saw the vape boxes in the yard and the vape juice in the living room. There was only a small amount of blood on the carpet, which I was told was where Lloyd had been laying prior to being transported. Shortly after I arrived, this Affiant was advised about Darrian showing up at the hospital. This Affiant met Deputy Bussard at headquarters where he transported Darrian to speak with me.

AFFIDAVIT OF PROBABLE CAUSE FOR ARREST WARRANT
CR #AC19-7825

This Affiant met with Darrian in an interview room. This Affiant asked Darrian why he came in. He stated the following:

Lloyd is like a brother to him.

Lloyd sells vape stuff and it's usually arranged over Snapchat.

Lloyd told him that this girl, Julie, was coming by after work and buying from him tonight.

He was with Lloyd tonight and he dropped him off at his house about 9:15PM.

The girl's name is Julie Serrano.

Julie is a cheerleader at Cherokee Trail High School and she is a junior.

Lloyd was getting messages on Snapchat all day from an anonymous person.

The "other cop" said something about a kid that goes by "K."

There is a kid named Kenny who is Julie's ex-boyfriend.

Kenny and his friends "jumped" him before.

He heard about Lloyd being shot because his dad called his (Darrian's) mom.

Kenny used to go to Cherokee Trail but he transferred to Grandview.

Lloyd got robbed once before.

He doesn't know who would have "beef" with Lloyd other than whoever was sending those messages today.

Julie is the last person Lloyd said he was selling to.

He texted Julie and asked her what happened and that she is the last person that Lloyd sold to.

Julie told him she ended up not going.

Julie's number is 720-556-8387.

Deputy Bussard took Darrian back to the hospital. At approximately 0030 hours (5/9/19) Lt. Walker advised this Affiant that Lloyd had died in surgery. This Affiant responded to Parker Adventist Hospital. The hospital was on lockdown due to the behavior of Lloyd's family members after learning of his death. This Affiant did not speak with anyone at the hospital due to their emotional state except for a brief conversation with Lloyd's mother, who was identified as:

Spencer, Cathy
DOB: 1/4/78

AFFIDAVIT OF PROBABLE CAUSE FOR ARREST WARRANT
CR #AC19-7825

Cathy advised that she last spoke to Lloyd on 5/8/19 through text who was just confirming that they were getting together for Mother's Day. Once Criminalist Stjernquist arrived, the staff escorted us up to Lloyd's room. Criminalist Stjernquist took the photographs that she could without disturbing the body before the Coroner's Investigator arrived. At 0410 hours, Coroner's Investigator Elizabeth Ortiz arrived. Photographs were taken of Lloyd and he was transported to the Arapahoe County Coroner's Office.

This Affiant spoke to a nurse who said she is a Respiratory Therapist at the hospital. She is identified as:

Kennedy, Karri
DOB: 2/16/69

Karri advised that she was the one that spoke to Lloyd when he first arrived. She asked Lloyd questions which he answered. She asked Lloyd who shot him and he said it was Kenny. Lloyd further said that Kenny is a junior at Cherokee Trail High School. Karri then got the deputy and Lloyd told him the same thing.

At approximately 0330 hours Lt. Walker advised this Affiant that they were able to fully identify Julie through Dan Vilkofsky as:

Serrano, Juliana Alexis
DOB: 3/14/02

Dan also provided her address as 5402 S. Versailles St. This Affiant was told that patrol went by the address and located a silver Mazda CX7 and a gray Nissan at the house. They were both registered to Lisa Serrano, later fully identified as:

Serrano, Lisa
DOB: 5/8/79

This Affiant then responded to the house and met up with Sgt. Workman and Deputy DeVries at approximately 0338 hours. We knocked on the door for several minutes with no answer. We continued to knock and the door was finally opened by a female who was later identified as:

Serrano, Selena
DOB: 4/9/96

This Affiant asked for Lisa and Selena went and woke her up. Lisa came to the door and allowed us in to speak with her. This Affiant advised her that we needed to speak to her daughter, Juliana, because she was present tonight when some males she was with got into a fight with another guy who was subsequently sent to the hospital. She advised that Juliana should be up in her room with one of guys who she identified as Kenny Gallegos. Lisa advised that Kenny has been staying here for about a week because he got kicked out of his house. Lisa further advised that Selena is her daughter and has a room in the basement and her adult son has a bedroom upstairs. He is identified as:

Serrano, Antonio
DOB: 4/9/96

AFFIDAVIT OF PROBABLE CAUSE FOR ARREST WARRANT
CR #AC19-7825

Additional deputies were called due to Kenny being in the home and believing he is the one that shot Lloyd and may be armed. Arapahoe County Sheriff's Office deputies Kristina Schubert, Scott Gricks, Halliburton and Lt. Burson responded.

At approximately 0440 hours, deputies made announcement for Kenny to come out of the bedroom where Lisa said he and Juliana were sleeping. He did come out without incident. Deputy Gricks had his duty rifle pointed at him while orders were being given to him. Juliana was also detained without incident. Kenny was fully identified as:

Gallegos, Kenneth Alfonso
DOB: 12/17/01

Lisa had advised this Affiant that Juliana was at work on 5/8/19 until about 2100 hours. Lisa said that Juliana works at The Rock (22934 East Smoky Hill Road, Aurora, Colorado, 80016). Lisa said she (Lisa) was there for her 40th birthday with friends while Juliana was working. Lisa said that Juliana was driving the Mazda last night. Lisa knew that Juliana left with Kenneth and some other boys she didn't know.

Sgt. Workman arranged to have the Mazda sealed and towed to headquarters by First Class Towing. A search warrant was later completed by Arapahoe County Sheriff's Office Investigator Ed Long. The vehicle was searched by Arapahoe County Sheriff's Office Investigators Ed Long and Nelson Trumbull as well as Criminalist Amy McCowan. They found and collected a McDonald's receipt dated 5/8/19 at 2024 hours. This McDonald's is located at 25701 East Smoky Hill Road in Aurora, CO. The video surveillance from the McDonald's was collected and showed a silver SUV pull up to the drive-thru window. The driver pulled forward so that the back passenger could pay and receive their order. The back passenger is a male. The driver can not been seen in the video nor can any other occupants if any.

This Affiant obtained a phone number for Kenneth's mom, who is identified as:

Gallegos, Stephania
DOB: 9/30/68

This Affiant called and left a message for Stephania. Kenneth was transported to Arapahoe County Sheriff's Office headquarters by Deputy Schubert for an interview and to wait for his parents.

At 0513 hours Arapahoe County Sheriff's Office Deputy Travis Jones responded to 6011 S. Ouray St. where he contacted Kenneth's parents. Kenneth's father is identified as:

Gallegos, Kenneth
DOB: 2/26/71

Stephania and Kenneth Sr. responded to headquarters.

Arapahoe County Sheriff's Office Investigator Andrew Fehringer spoke with Kenneth's parents. They advised that Kenneth as not been at home for about 5 days because he does not like their rules. They stated that they last saw Kenneth on Sunday (5/5/19) when Stephania picked him and Juliana up from Juliana's house to see them. Kenneth told Stephania that he believed he was addicted to JUUL pods that started about 1-2 months ago. Stephania found a vape charge and

AFFIDAVIT OF PROBABLE CAUSE FOR ARREST WARRANT
CR #AC19-7825

empty JUUL pods in Kenneth's room. Kenneth currently goes to Grandview High School where he recently transferred from Cherokee Trail High School.

Stephanie spoke to Kenneth prior to any Miranda advisement being read. Kenneth told Stephanie that he heard about a shooting on the news (this incident was not on any news sites at this time). Kenneth did not want to talk to Investigator Fehringer without a lawyer present and his parents ultimately decided that Kenneth would not speak and Kenneth was transported and booked into the Arapahoe County Detention Facility.

Lisa had given this Affiant consent to search Juliana's bedroom. Arapahoe County Sheriff's Office Investigator Kalomira Gatchis and Criminalist Sarah Larson searched the bedroom. No gun was located there. Investigator Gatchis located a bottle containing suspected marijuana on top of the desk. On the floor by the wall with the large tapestry, Investigator Gatchis located a pair of men's blue jeans. Inside the right front pocket of the jeans was a silver I-phone belonging to Kenneth. In the right rear pocket was a wallet. These were collected along with some vape products that were found. A search warrant was completed for the rest of the home.

Lisa and Juliana agreed to talk to me at the house while Juliana's room was being searched. She was not in handcuffs any longer at this time. I spoke to Juliana at approximately 0540 hours at the kitchen table of the home while Lisa sat on couch in the adjoining room. Lisa chose to stay on the couch and could hear everything that was being said. Juliana advised she goes by Julie but for purposes of this affidavit, I will refer to her as Juliana.

This Affiant told Juliana that we were here because of an incident that happened with Kenny and Lloyd Chavez and I wanted to talk to her about that. Juliana said that Kenny wasn't "involved in that, whatever that was." Juliana said that Kenny was with her last night at her work and they went home after work at about 2120 hours and got home about 2140 hours. This Affiant asked who else she was with and she said didn't know. Juliana confirmed that she had made arrangement to buy vape products from Lloyd on 5/8/19 but that she ended up not going. At first she said she didn't go because she had to work last night but then later said that it was during the school day that she was supposed to meet Lloyd. Juliana said she's never bought it from him before but he posts about it on his "story" on Snapchat. Juliana knows Lloyd through Darrian. Ultimately, Juliana denied any involvement at this time. A phone was found in Juliana's room. I brought it to her and asked if it was hers which she said it was. This Affiant asked if we could look through it and she said no. This Affiant advised her that I was still taking it and that I would apply for a warrant for it. This Affiant asked her if she would give me her passcode for the phone, which she did. A search warrant was completed for this phone as well as for Kenneth's phone by Investigator Gatchis. These phones were downloaded by Arapahoe County Sheriff's Office Investigator Michael Garnsey and each download was placed onto a thumb drive. Lloyd's phone was also downloaded. Screenshots from Lloyd's phone was taken by Investigator Garnsey of his Snapchat messages to and from Juliana. She has a Snapchat name of Julzy_serrano14. The last message is one from Juliana that has a picture of what she wants to buy from Lloyd and Lloyd responds to her with his address.

This Affiant left the residence and a deputy stood by until the search warrant could be completed. Juliana was free to go and indicated she was going to go to school at 0820 hours.

Arapahoe County Sheriff's Office Investigators Jamie Wright, Sgt. Bruce Walker, Sgt. Steve Binks, Investigator Charles Butterfield, Investigator Roger Landis and Criminalists Sarah Larson and Christine Spiegel assisted with the search of Lisa's home which began at about 1430 hours. Investigator Wright located one composition notebook that appeared to be a journal, a silver

AFFIDAVIT OF PROBABLE CAUSE FOR ARREST WARRANT
CR #AC19-7825

Verizon flip phone and a white iPhone with a shattered screen (both appear to be old phones) in Juliana's bedroom. These were collected along with one black Airopro vape case containing one vape pen and 6 oil cartridges located in a purse in the master bedroom and one red JUUL vape pen located in the living room love seat. No gun was located.

Arapahoe County Sheriff's Office Investigator Ed Doremus attended the autopsy of Lloyd which was conducted by Doctor Kasey Bitting. The cause of death was preliminarily determined to be a gunshot wound. The bullet was recovered from the abdomen and found to be a .22 caliber bullet.

Arapahoe County Sheriff's Office Investigator Charles Kelley contacted Darrian again. Darrian told him the following:

Julie is an ex-girlfriend of his.

Kenny is an ex-boyfriend of Julie's.

He knows Lloyd was supposed to sell to Julie last night and that she is his (Darrian's) ex-girlfriend.

Lloyd was supposed to sell Nords, which is a vape pen, to Julie.

He has known Julie for years.

Lloyd told him that he was going to make \$150.00 last night, as he had two other buyers as well.

He picked up Lloyd from his doctor's appointment around 1700 hours and they went to Chili's for dinner and they went back to his (Darrian's) house and then went to the volleyball game at Grandview High School at 1900 hours.

Lloyd continually talked about selling to Julie that night and that she was going to come over after work.

He (Darrian) did attempt to call Julie last night and did not get an answer, so he sent her a text message asking her about Lloyd, because he believes Julie was the last person to see him.

Julie replied via text that she did not show up for the scheduled meet last night and does not know what happened to Lloyd.

Investigator Kelley sent a screenshot photo of a Facebook account he believed was associated with Kenneth. In this picture, it depicts a picture of Kenneth standing with an unknown female. He sent a scanned copy of that screenshot to Darrian via email and asked if he recognized the persons in the screenshot. Darrian advised that was a picture of Kenny and Julie, his ex-girlfriend. He also said that Kenny was Julie's ex-boyfriend.

Arapahoe County Sheriff's Office Investigator Kim Johnston responded to 5402 S. Versailles St. to stand by with Deputy Jones while a search warrant was sought. As Investigator Johnston just chatted with Juliana she admitted to going to Lloyd's after all to buy from him but that Kenny didn't shoot him. Juliana told Investigator Johnston that she was driving and Kenny was in the front passenger seat and two other males (one black, one white) in the backseat. They went to

AFFIDAVIT OF PROBABLE CAUSE FOR ARREST WARRANT
CR #AC19-7825

Lloyd's house when she got off work. She "guesses" it was her idea to go buy vape juice from Lloyd. She told Lloyd what she wanted to buy. Lloyd came out and she gave him the money but Lloyd didn't give her anything right away and started walking away. She told Investigator Johnston that she gave Lloyd however much Kenny gave her but she doesn't know how much it was. The black male in the backseat got out to confront Lloyd to see what he was doing. She said Lloyd tackled him into the grass. The other male in the backseat and Kenny got out of the car but didn't do anything. All she heard was a gun go off. They took the money back. Kenny and the two males got back into the car and she moved and Kenny drove away. Kenny is going to be mad at her if she tells who these other males are. She doesn't know the black male but knows the white male as "Dom."

On 05/09/19, at approximately 1510 hours, Arapahoe County Sheriff's Office Investigator Charles Kelley and Investigator Doremus responded to 5402 S. Versailles St. and spoke with Juliana and Lisa further about what happened.

Investigator Kelley recorded his interview with Juliana, who, in essence said the following:

Yesterday (05/08/19) who woke up about 1000 hours.

She got ready for school.

She "probably" had spoken to several people via social media before school.

She got to school around 1200 hours.

She thinks she first spoke with Lloyd around 1330 hours while at school.

This conversation took place in school, third period and by Snap Chat.

She was trying to get the "juice" from him. At first, Lloyd offered to give it to her after third period and before fourth period. She told him that would not work. She did tell him that she had work that night.

They did not talk to one another until she finished her shift at work at 2100 hours.

She did not talk to anyone about picking up the "juice" from Lloyd in between her third period and the end of her shift. She did not have to talk with Kenny about it because he already knew.

She talked to Kenny about this personally in the morning when she woke up.

She had planned on meeting up with Lloyd since Tuesday, May 7, 2019.

She does not know what Yolo is.

Kenny did not have any type of written communication with Lloyd yesterday.

She works at the Rock.

She got out of school at 1530 hours. Her shift at work did not start until 1700 hours.

AFFIDAVIT OF PROBABLE CAUSE FOR ARREST WARRANT
CR #AC19-7825

She got home from school around 1600 hours because it takes a long time to get out of the student parking lot at school. She got ready for work and then left for work between 1645 and 1650 hours. With her inside the residence before she left, were her brother, possibly her sister, and Kenny.

Before she left for work, she told Kenny how her day was at school. Kenny was talking about hanging out with friends while she was at work. He was going to hang out with "Dom" and she does not know the other person. He is a black male, unknown height. She has seen him with Kenny before but does not know his name. She has seen "Dom" and the black male with Kenny approximately four to five times prior. She has seen "Dom" at school before. "Dom" is a junior at Cherokee Trail. She does not know if he has a nickname or know his last name. "Dom" is a white male, shorter "not that tall" (taller than her). She does not know if "Dom" participates in any extracurricular activity.

Kenny does not really talk about his friends. Kenny had stayed with "Dom" in the past. "Dom" possibly lives in a Beacon Point or South Shores neighborhood.

"Dom" drives a black car but cannot give me a make or model.

At this time, Investigator Kelley showed Juliana a picture of:

Stager, Dominic
DOB: 03/16/01

and asked her if she knows "this person". She said, "that's Dominic". Investigator Kelley asked her if the picture was of "Dom", who was with her last night and she advised it was.

She does not know the black male's name who was with them in the car. He has a weird name. It is not a common name. She thinks he may be a student at Cherokee Trail or Eaglecrest. She does not know anything about him. She does not know him at all. She thinks he lives in the Tollgate neighborhood because the people he hangs out with hang out in Tollgate. He (the black male) hangs out with herself (once), Kenny, "Keyvi", "Tyrese", "Joey C.", and Jaden Curry. This may have been two to three weeks ago. They were seated in a car outside a residence. They met up to say hi.

She does know Dominic's and the unknown black male's Snap Chat accounts.

Prior to last night, she has not seen the unknown black male since that day in the Tollgate neighborhood.

She did not get off work last night (05/08/19) until approximately 2100 hours. Kenny picked her up with Dominic and the unknown black male.

The unknown black male may be a junior in high school, and could be sixteen to seventeen years old.

Kenny picked her up in her car.

Kenny was driving, but she drove when they left from work.

AFFIDAVIT OF PROBABLE CAUSE FOR ARREST WARRANT
CR #AC19-7825

Kenny moved to the front passenger seat when she got into the car. Dominic was seated behind Kenny and the unknown black male was seated behind her.

They did not talk a lot in the car, but did listen to music.

They headed straight over to Lloyd's house after she got off work.

Once they arrived into Lloyd's cul-de-sac, she parked a short distance away because she did not know if he wanted her to pull up directly to his house. She did eventually pull up in front/between his and a neighbor's house.

Lloyd sent her his address using Snap Chat account.

Her Snap Chat account is Julzy_serrano14.

She thinks Lloyd's house is a one-story residence but cannot remember what color it was. She cannot remember if there were any cars parked on the driveway.

She pulled up to the residence, passenger side closest to the residence.

She was still driving at that time.

She sent Lloyd a text letting him know that she was there. They had to wait a little bit for Lloyd to come out of the house. She thinks that Lloyd first looked into the window before trying to get into the car. He then walked to her window (front driver's side window), took her money and started to walk away. The unknown black male got out of the car to confront Lloyd about why he was walking away with her money.

She is not sure how much money she gave Lloyd, but she thinks it was between \$30 and \$40. She does not remember how much she agreed to pay Lloyd for the juice, but thinks it was above \$25.00. She had considered buying additional things from Lloyd, but decided against it.

Lloyd did exit his residence using the front door.

Lloyd did not speak to anyone on the passenger side of the vehicle. No one on the passenger side had their window down so he walked to her window.

Lloyd walked up to her window and asked if she had the money. She told him that she did, had to look for it, and then gave it to him. Lloyd then walked away. She had the money in her wallet that was not inside a purse. Her wallet is black in color.

Lloyd did not say anything to her as he walked away, but did put the money in a pocket. She does not know which pocket Lloyd put the money in, but did eventually get her money back from the unknown black male.

She handed the half-folded money to Lloyd. She thinks the outside bill was a \$1 dollar bill. She think she did see a \$10 dollar bill as well as several additional \$1 dollar bills. She thinks she may have handed "like twenty" bills.

She met Lloyd through her ex-boyfriend Darrian. She met Lloyd during her freshman year.

She knew to go to Lloyd to buy items because he posts about it on his Snap Chat account. She has never purchased anything from Lloyd before and has never been to his residence prior to the incident on May 8, 2019.

She never really talked with Lloyd until she “slid up” to his house.

The unknown male “pressed” Lloyd about the money. Lloyd then “swung” him to the grass. They were standing on the sidewalk next to the car, towards the rear. She does not think if someone tried to open the rear passenger side door it would hit either Lloyd or the unknown black male.

After Lloyd “swung” the unknown black male onto the grass, Lloyd was on top of him “tackling” or “wrestling” and not “aggressive” and it was then that the unknown black male shot him. Lloyd screamed and ran back into the house and the “other kid” got back into the car.

She moved over to the passenger seat, Kenny into the driver’s seat and they left the area, drove back to her residence and parked on the side of the house.

Kenny and Dominic did get out of the car as well at Lloyd’s, but stood by the car. They were close enough to the car to touch it. They did not get involved.

The unknown black male asked what Lloyd was going to do with the money. Neither said anything to each other as they physically fought.

Before they left Lloyd’s house, the unknown black male got back into the rear driver’s side seat and Dominic into the rear passenger side.

They sat outside her residence listening to music and talked about what had just happened.

She asked the unknown black male why he shot Lloyd. He responded that he had to do it to protect himself. She did not think it was necessary.

The unknown black male did not have any injuries and his clothes did not rip.

As they sat in the car, Dominic did not say anything and Kenny was in shock as she was.

It was never their intention to go there and shoot Lloyd.

They were all shocked and did not know what to do.

It was not their intent to steal from Lloyd.

Kenny did not shoot Lloyd. Kenny is light-skinned too.

She is being “100%” honest; it was not Kenny who shot Lloyd. He did not have a gun.

She is willing to take a polygraph test and would pass it.

She does not know why someone would say Kenny shot Lloyd.

Kenny is going to get into trouble for something he did not do.

She is telling the truth.

She is not trying to protect Kenny. He did not touch Lloyd.

She does not know whom the gun belongs to.

If we find Dominic, he will not tell the police anything.

It was not Kenny who shot Lloyd.

She was the one who set this up; it was her idea to go talk with Lloyd.

She does not know if someone in the car had issues with Lloyd.

She knew that Kenny did not like Lloyd because he knew her ex, Darrian. He does not like anyone who was associated with Darrian.

She started to tell ACSO Investigator Kim Johnston the truth.

It was not Kenny and he did not do it.

They did not come inside the house. They sat outside for 15 to 20 minutes before Kenny decided to drive around for a bit, past Southlands, past Tollgate before dropping Dominic and the black male off at Dominic's car that was parked behind the movie theatre in Southlands.

She has met Dominic there once before.

She thinks they dropped Dominic and the black male off at Dominic's car around 2200 hours.

She does not know where the gun is right now.

She thinks the black male kept the gun after he shot Lloyd because it did not fall out.

Dominic was wearing an unknown color pair of jeans and an unknown color sweatshirt "probably" a hoodie. She thinks the black male was wearing jeans and a short-sleeved t-shirt, unknown colors. His t-shirt may have been black. The black male is not dark or light skinned, but in the middle. He does not have curls in his hair but his hair looks like he picked his hair out. She does not know how to explain it.

She returned directly home with Kenny.

They went inside, ate and went upstairs into her room. They put a movie on. She talked about how scared and shocked she was. Kenny told her it was ok because they did not do anything.

She has not talked to anyone about what happened the night before.

She has not been on Snap Chat since last night. Today she searched social media to see if anyone was talking about what happened last night. She was not looking at her Snap Chat account today, but used others.

At this time, Investigator Kelley showed a series of photos of black males he obtained from the Cherokee Trail School Resource Officer (SRO)/Aurora Police Officer (APD) Matt Green and asked if anyone of these males could be the unknown black male with them last night. After several photos, Juliana positively identified:

Mitchell, Demarea
DOB: 05/27/02

as that male.

It was her idea to get the “juice”.

He (Kenny) did not do it.

It was not supposed to go that way.

The person who said Kenny shot Lloyd is lying.

Juliana confirmed what Investigator Kelley thought happened (robbery) and a fight ensued and Lloyd was shot and she then said “maybe”.

Kenny, Demarea and Dominic were all talking about stealing the juice from Lloyd.

It was “mostly” Dominic and Demarea’s idea to take the juice from Lloyd.

Nobody in the car left with the juice.

It was Kenny’s, Dominic’s, and Demarea’s plan to steal the juice from Lloyd. It was their plan to have Lloyd give her the juice and she would drive off, but he did not have it on him when first approached them.

Lloyd approached the car; she looked for money, gave him some money when Demarea confronted Lloyd, asked him for the “stuff” and a fight started. Lloyd “swung” at him, tackled him and that is when he was shot. Demarea was trying to steal the money back, juice, or both (juices and vapes).

She did give Lloyd money.

It was the plan to steal the juice from Lloyd from the beginning.

Dominic and Kenny did get out of the car, but did not get involved. Only Demarea was involved.

We will only find two sets of footprints on the grass.

She does not know if they were fighting over the gun. She does not know if the gun was pointed at Lloyd.

She did see Lloyd throw Demarea onto the grass.

She cannot describe the gun, but it was "probably" smaller. She has never seen the gun before.

The plan was to take the juice from Lloyd. They hoped he would give her the juice so they could drive off.

She was nervous about the plan.

Kenny has done something like this before.

The last time that happened to Lloyd, Kenny was with the people who did it.

She cannot describe the relationship Kenny had with Lloyd.

If she ran into Lloyd if they were successful in stealing his juice, she would not say anything to him.

She did not know they had a gun until they pulled up near Lloyd's residence. At first, Dominic had the gun and then Demarea did.

They never talked about shooting him, only to scare him.

They did not threaten her to go along, but she felt pressured.

After the incident, they were all "freaked out".

They wanted her to drive the car. The planning for this incident started days earlier. She checked with Lloyd a couple of days ago to see if he had the stuff and he did not. At first, it was not their intent to steal from Lloyd. It was yesterday that the plan turned to steal from Lloyd. Kenny first came up with the idea to steal from Lloyd because it was another one of his friend's idea. They did talk about it last week but it did not happen.

She agreed to get the juice so Kenny said he would go with her. His friend's (Dominic and Demarea) were all for it.

Lloyd had the juice before but they never made a previous attempt.

Someone gave Kenny a silver "trap phone" to use.

Kenny “kind of but not really” asked her to set this up. She told Kenny that she needed the juice, so he asked to come along to “basically rob him” of additional items from Lloyd.

She discussed this with Kenny yesterday (05/08/19). She was unsure about it. She is not good at saying no. She did not try to talk him out of it but did tell him that she did not like the idea. She does not know why she went along with it.

Kenny “kind of but not really” encouraged her to continue her discussion with Lloyd. She does not remember the day she first talked to Lloyd about this, but it would have been a couple of days ago.

At first, she really wanted the vape products, but then turned into a plan to rob Lloyd.

She was the only one who conversed with Lloyd via Snap Chat.

Kenny does have her phone at times and has the access code, but would only use it to listen to music.

She had her phone with her the entire day yesterday.

There was a physical disturbance in the grass.

Lloyd did throw Demarea and then fell on top of him

She thinks Lloyd’s knees and hands were touching the ground.

She does not know if Demarea pointed the gun at Lloyd to rob him. She did see Demarea point the gun at Lloyd.

Lloyd never gave her the juice.

It was only after Lloyd walked away from the car that Demarea pointed the gun at Lloyd.

She saw Demarea’s body “fly” onto the grass, and then both Kenny and Dominic got out of the car, but did not do anything. She does not think Demarea had the gun in his hand when he flew onto the grass. She does not know where Demarea had the gun on his body.

Dominic was the first person to bring up the gun. He said “they” had one. They all knew the gun was there.

Lloyd was on his knees when he was shot.

Lloyd asked her if she had the money. She told him that it was in the wallet. She gave him the money and Lloyd walked away. Demarea got out of the car to get the “stuff”.

Demarea got the money back from Lloyd. That money is now in her wallet and is still folded up in her wallet.

No one shot Lloyd from the car.

Lloyd was on top of Demarea when he shot him.

Demarea did not yell at Lloyd. She did not hear him say anything.

Originally, it was Dominic's role to scare Lloyd. He was going to push him to get the "stuff".

She knows that once they got to the house, they were talking about what was going to "go down". Kenny was going to stay in the car. They were hoping they would give her the "stuff" and they were going to drive off, but if he did not, they were going to scare Lloyd. They were not going to shoot him. They were not going to kill him, which was never the plan.

Kenny was not supposed to get involved.

Kenny and Dominic got out of the car. Kenny pushed Dominic to go help Demarea, but by that time, he shot Lloyd.

Lloyd ran back into the house. Lloyd "screamed, screamed, screamed, screamed. I don't know".

Either Dominic or Demarea had the gun.

She does not think Kenny touched the gun. If he touched it, it would have been before they picked her up from work.

Kenny took her car while she was at work. They sat in Southlands listening to music.

The car was facing the exit of the cul-de-sac.

If Kenny was the killer then she could never look at him the same, after everything he put her through.

Dominic was the first person to bring up the gun, but Demarea had it.

She thinks Dominic "always" had the gun, but must have given it to Demarea that night.

Kenny did not have contact with Lloyd. She thinks he asked Lloyd if he had the juice.

Kenny had helped plan the robbery, but was not going to take part because of his broken wrist. He told her this yesterday while she was at work. They talked by phone. The others showed up "just in case" they didn't get the stuff and someone to scare him. They were not going there to kill him or shoot him, that not what "we" were doing. They were not going to beat him up, but push him and try to get it off him (Lloyd).

"Technically yeah" it was her plan. It was her who set it up. It was "not really" her plan from the beginning to not give Lloyd the money. Originally, it was one of Kenny's female friends who asked him to go "rob" Lloyd. She told Kenny not to do it and the subject was dropped until when she saw "more stuff" on his "story" (Snap Chat). She told Kenny about it and he was "like ok yeah whatever" for those two days. Kenny's female friend's name is "Chen". She is an Asian female and attends Cherokee Trail High School.

Juliana told Investigator Kelley that the money she used that night was still in her wallet. Juliana and her mother allowed us to recover that money from her backpack, which we did. Investigator Kelley noted that the money was folded as she described and was \$25. That money and the black wallet it was in was placed into evidence.

On 5/10/19 at approximately 1330 hours, Investigator Johnston received a phone call from Juliana. She advised that she wanted to come clean with everything and tell the truth about what happened. She agreed to come to the Sheriff's Office with her mom, Lisa, at 1500 hours.

At about 1500 hours, Lisa and Juliana sat down in an interview room with Investigator Johnston. Investigator Johnston read Juliana her rights in accordance with Miranda utilizing a form, in which they signed that they understood and that they were waiving their rights to speak with Investigator Johnston. Before signing, Lisa did ask if they needed a lawyer. Investigator Johnston advised her that she can't advise her one way or the other and told her that they could always get started and she could stop the interview at any time. They signed the form waiving their rights.

Juliana's main reason for coming in was because she wanted to change one part of her story. She said that Kenneth was the one that drove to Lloyd's house because they switched places prior to getting there so she was sitting in the front passenger side. Investigator Johnston had Juliana go through the story again about what happened. She confirmed that they went to Lloyd's with the intention to rob him and that she did hand him money and then took it back. She denied that Kenny shot Lloyd but also acknowledged that she didn't actually see the gun in anyone's hands. Juliana described the gun as a "smaller gun" and saw a laser on Lloyd around the time he was shot.
